# Retreat Training

Tap into your intuition and hear the land speak as it did to the ancient ones who came before us. During the Retreat we will be visiting sites that pre-date the Egyptian Pyramids.

On the retreat you will be shown how to tap into your intuition to hear the land speak and allow the ancient knowledge of the sacred sites share their secrets and wisdom with you.

At the thin places where the fairy folk once dwell your intuition will be enhanced by the veil between this world and the next being so slim. I will show you how to anchor in the calm and peace of these special places so you may draw upon the energy anytime you wish.

You will be shown simple spreads in tarot to reveal ancient magic.

# Sacred Sites

We will visit Newgrange in Ireland, a megalithic site that aligns with the winter solstice. This site pre-dates Christianity by over 3000 years!!!

Imagine tapping into the energies of the ancient giants who were known as master builders at the Giants Causeway up the coast of N. Ireland.

On the retreat we will visit the thin places at one of the Fairy trees and explore sacred grounds that have seen many years of worship from early Pagan and Celtic religions to more modern day Christianity

At Drombeg we will stand in the footsteps of our ancestors within the stone circle and feel the powerful energy.

Isaya Belle Schwaart Praise....

From Scottish Sacred Sites Retreat

"I was lucky enough to participate to Joanna's first ever Sacred Sites of Scotland retreat. There are no words to really explain how grateful I am for these 4 days ! First I should tell you about the quality of the excursions and their number (so many amazing places in such a short time!). Joanna's area is filled with divine energy that she guided us through, be it stone circles, haunted castles, fairy cascades and forest, etc. Not to mention amazing shopping possibilities in tiny, almost "secret" shops with beautiful energy!

But that was only part of the awesomeness ! In fact the most amazing for me was Joanna's connection to the land and the way she introduced us to it and to its history, traditions, but also to its present and more generally to its energetic beauty.

Plus we had the incredible chance to spend some quality time and some actual in the flesh workshops both with her and her amazing assistant Paulyne Brown. The relaxed atmosphere, the beautiful and very comfortable venue, the goodies bags straight from Heaven, the home-cooked food and the nice restaurants, the flawless organisation, the fun ... Everything was made to make us feel like welcome friends ... Friends who got to be coached, pampered and sometimes told necessary truths by the ever miraculous person that is Joanna Hunter.

The Sacred Sites Retreat of Scotland with Joanna Hunter was truly one of the most epic experiences of my life. From the moment we arrived, we were treated like VIP's. Joanna and her team picked us up at the airport and whisked us through the gorgeous Scottish countryside, enjoying a fun stop in the beautiful city of Inverness on our way to the storybook village of Strathpeffer. We had fabulous meals prepared by the team or in local dining spots and enjoyed incredibly comfortable accommodations in a home that had been secured specifically for us. The sites that we visited all buzzed with mystical energy but they were all different. It was truly a fascinating experience as we took a deep dive into the sacred in all its many forms. From the ancient wisdom at Clava Cairns, to the sacred calm of Culloden battlefield, the spirits of Tulloch castle, to the playful beauty of Rosemarkies fairy glen... We were surrounded by the beauty of the magic of both the seen and unseen. In addition, the opportunity to spend so much time in Joanna's energy with such close access to her is absolutely priceless. It is a trip that I will never forget and the magic lives with me still!

# Irish Blessing...

"May the road rise to meet you,  
and the wind always be at your back.

May the sun shine warm on your face  
and the rains fall softly on your fields.

And until we meet again

May God hold you gently in the palm of his hand.  
May you be in Heaven a full half hour before the  
Devil knows you are dead!"
